Foreword

The league second Semi Final did not produce the high standard of football expected from the two top sides. We saw a mediocre Maddington team unable to withstand the strong and forceful play-on football displayed by the Gosnells team, who have now firmly entrenched themselves as favourites for the 1977 pennant.

The Seconds game, however, proved a real crowd pleaser, with the lead changing hands several times in the last 15 minutes of the game. Kenwick appeared to be the fitter of the two sides, eventually running out the winners and hanging on to their unbeaten record.

Today's games should be two very tough and interesting duals, the losers knowing they go into "moth-balls" until next year. In the league game, Canning, who have their tails well up, must start favourites against a dispirited and lack-lustre Maddington team.

In the Seconds game a close and evenly fought dual should eventuate with possibly the fittest of the two teams running out the winners at the final siren. I suggest we could possibly have four clubs playing off in the Grand Finals.

THE TIGERS

Gosnells and Maddington have been generally referred to in the competition as the "top two sides", a technically correct title as they finished the qualifying rounds in these positions. Performances in the final round matches however, are the true measure of a team's ability and today Canning has the chance to prove their worth and displace Maddington from the "top two".

Our side will be at full strength and fully fit, and if on performance in the first semi-final is to be a gauge of our final round potential then it will take a vastly improved effort from Maddington to avert a Canning — Gosnells Grand Final.

We wish our selected 20 good luck, and know that whatever the

result the Black and Gold colours will be carried in true Tiger tradition.

Our after game social will again be held at the Cannington Hotel, with naturally all members and supporters of the Tigers being extended a cordial welcome.

Let's hope we can celebrate our first Grand Final appearance for 12 years.

Forthcoming Social Events:

- 16 Sept. — Cabaret — Wyong Oval.
- 24 Sept. — Vote Counting — BBQ and Injured players games nite Coaches residence.
- 30 Sept. — Annual Wind Up — Cannington Hotel.
- 6 Nov. — Players payment day and pleasant Sunday Morning/Afternoon/Night.

TALK OF BULL

Terry Hambleton and his 18's and Under Side had every reason to be proud of themselves last Sunday, despite an eight point loss to Gosnells in the Grand Final.

It was a magnificent effort by a team who just qualified for the final four to get up and almost defeat a strong and talented Gosnells side.

Pure guts and determination found the boys in a winning position with only a few minutes to go and although they lost the game, they gained much in respect, admiration and appreciation by the big crowd of supporters in attendance. I'm sure Terry and the boys appreciated the advice and support of some of our prominent senior members. Thanks, gents. Best players were Paul Biffin, Lloyd Richardson, Kim Lambkin and the rest of the team.

Congratulations Gosnells on their premiership and for the sportsmanlike attitude of your players and coach.

Our league side last week was disappointing to say the least, and produced one of the poorest finals displays ever seen by our club. It was no fault of Dennis Cometti's who turned in a superlative game, but only a couple copied his example. Leon Henry and Rick Butler were two who tried hard for 120 minutes.

Congratulations to Gosnells again on their win and we will now attempt to make the Grand Final the hard

way. Injuries could be the problem; Canning are a good strong side and victory will be difficult. It can be done, however, and if the players follow the example set by Dennis last Sunday and by the 18's and Under side then victory will be ours.

Our Reserves side, if at full strength could well account for Gosnells in the Preliminary Final. Injuries to league players may sap our strength but the reserves proved that they have the football character to play in the Grand Final with gutsy displays against Gosnells last time (a draw) and Kelmscott in the First Semi Final. The best of luck to both our sides today.

Club members enjoyed a very successful Beef and Burgandy night on Friday 2nd September. It was pleasing to see so many people there; some of the old players and also life member Ray and Norma Reynolds. Perhaps we will make this a regular event.

Don't forget the Fancy Dress Cabaret on Saturday 24th September at the Maddington Centenary Hall. Admission price \$5 a double, \$1 a jug, bring your own spirits and a plate. \$8 a double if you are not in fancy dress. This will be a great night.

Come on the Bulls.

Last Sunday provided sheer top quality and spectacular entertainment for every Hawk supporter worth his salt who went along and witnessed the Blue and Gold displays in all three matches.

The day began brilliantly with a magnificent Premiership victory over Maddington by our Under Nineteens team winning by a margin of nine points. The match was hard and closely fought throughout and had the large crowd of supporters in suspense right to the final siren. Congratulations to all players, coach Lex Howden, assistant coach Ken Kielling, team manager Neville Barry, trainers Kevin Jennings and Peter Cusack and all those who contributed a great deal of time and effort for this most justified reward. Best players were Paul Pink who won the Ampol and East Fremantle Awards, Steve Smith for the mark of the day and Dave Carson for the best kick of the match.

The Reserves side put in a great effort against Kenwick and whilst they were defeated were by no means outclassed. Those who deserve special mention were Collin Castensen who tried very hard in the ruck all day, Graham Campbell at centre gave an inspiring performance and seems to have overcome his severe shoulder injury and Brian Lester gave a solid backmans display throughout. The team were unlucky to lose Kevin Smith at half time due to a serious knee injury sustained early in the first quarter. Kevin displayed true grit persevering with his injury up until half time by kicking 4 goals. With seven new players coming into the side this week the result should be a different story, never the less coach Graham Dwyer is looking for a do or die effort for that much sought after rematch with Kenwick in the Grand Final.

Lookout we're now in the Grand Final in the League with a magnificent four quarter team effort from our might team of league Hawks against Maddington last Sunday when we registered a resounding twelve goal victory over our old rivals.

The selectors found the task of nominating best players extremely hard to separate however you will notice special credit has been given to more than usual. Those who put in outstanding performances were Laurie Ricetti, Ian Gibson, Trevor Williams, Ray Minson, Barry Woodhead, Norm Barratt, Sid Websdale, Jim Kidd and new league player Shaun Ferguson. Special mention must be given to our great coach Peter Dougan who rose to the occasion and displayed his best game of the season. Congratulations to all the team and I'm sure all spectators will agree no players game was below par.

Special mention for the excellent standard of umpiring for the four quarters — congratulations all umpires concerned.

Social: The club and all those associated with the Under 19's wish to thank John and Roma Kieley for kindly hosting the Under 19's Premiership celebrations last Sunday evening.

Social: Please remember to put your name in for the Club's Annual Wind Up and Presentation of Trophies being held at Canning Greyhound Centre on Friday October 28. A special poster board is on display in the clubrooms with a space for your particular requirements. Please assist by putting in for your reservation as early as possible as this function promises to be a wonderful evening of entertainment and we don't want anyone to be disappointed.
